

August 2021

Dear Families,

Welcome back to the REACH Youth Development Site!

- We are back!
- And we are SO excited to be an after school option for youth and families in Redmond beginning **September 13, 2021.**
- REACH will welcome youth in grades K-5 from all Redmond Elementary Schools.
- REACH staff will provide supervised walking from Lynch Elementary after school.
- Youth from all other schools will need to be transported from school to REACH by a parent/guardian or authorized support person. **Youth can be dropped off after 3:30pm and pick up time is 6:15pm.**
- We intend to develop our transportation program once the labor shortage has been resolved.
- Although we are still looking to hire 2-3 Youth Development Professionals, we feel extremely fortunate to have added Alex Spreier to our Team as Site Director. As a 7 year veteran of the Redmond School District, his experience with elementary age youth, combined with his creative and innovative spirit is exactly what REACH needs as our Team Leader.
- As our team grows, we will be able to add additional options like Before School, No School Days and transportation.
- We will keep families updated through Facebook, our website and email.
- **Enrollment forms are available now on Facebook and at [www.reachredmond.org](http://www.reachredmond.org)**

In community,
